

## Nano4Energy 2010 Conference: 'Nano-Enabled Clean Energy'

30<sup>th</sup> June 2010, University of Birmingham

Nano4Energy 2010 is a conference, exhibition, partnering event and discussion forum featuring the latest developments in nanotechnology for clean energy

### This event will:

- Stimulate business interactions
- Provide information on new developments & market needs
- Facilitate research & development partnerships

### Activities

- One-to-one Partnering Service – *book before Friday 11<sup>th</sup> June to take advantage*
- Discussion Forum led by **EcoConnect** on '**Raising Funds - Which Way is Best?**' featuring the **London Stock Exchange**
- Exhibition
- Academic Poster Presentations – deadline for abstracts **15<sup>th</sup> June 2010** – a prize will be awarded for the Best Poster
- Networking Drinks Reception sponsored by Birmingham Science City

### Themes

- Energy storage (batteries, supercapacitors, hydrogen)
- Energy generation / conversion (PVs, fuel cells, thermoelectrics)

### Programme

Keynote presentations will be delivered from the **Carbon Trust** and **Nissan** and the conference will then be split into two parallel sessions: **Generation & Conversion** and **Storage & Conservation**.

Parallel Session Speakers will include Power Textiles Ltd, Leeds Lithium Power, ACAL Energy, Ilika Technologies, Nanoco Technologies, BRE, Nanotecture, Promethean Particles, Axelon, PETEC and the Universities of Birmingham and Surrey.

Speaker biographies and abstracts can be found online at: <https://ktn.innovateuk.org/web/energy-applications-nano4energy/nano4energy-2010>

### Target Audience

- Technology developers
- Renewable energy supply chain
- Investors
- Commercial end users

**Nano4Energy**  
**2010**

30<sup>th</sup> June 2010  
University of Birmingham

### Registration

A **discounted rate** of £40 + VAT will be charged to members of the NanoKTN\*. The standard cost is £60 + VAT. Organisations and individuals wishing to attend should email a completed registration form to: [Natasha.taylor@nanoktn.com](mailto:Natasha.taylor@nanoktn.com).

### Exhibition

The table-top exhibition offers unique opportunities to show-case products and services.

### Exhibitor Package - £150 +VAT

- 1 delegate pass (50% discount for additional attendees)
- Space for 2 banner stands
- Table for literature and/or product demonstration
- Logo & 50-word Profile on website
- Company referenced in pre-event promotional activities as an exhibitor

To book your place, please select this option on the registration form.

### Poster Presentations: **Deadline 15<sup>th</sup> June 2010**

There will be a poster session running throughout the day. If you would like to promote your research, abstracts should be sent to Dr Bruno G Pollet, School of Chemical Engineering, University of Birmingham at: [b.g.pollet@bham.ac.uk](mailto:b.g.pollet@bham.ac.uk). Successful applicants will be notified after the 15<sup>th</sup> June deadline and will be required to register as a delegate at the **discounted price** of £20 +VAT.
